📍 Oklahoma City

## SUMMARY

Award-winning investigative reporter turned web developer looking for a new career at the intersection of journalism and technology. Interested in developing apps, interactive stories and databases that sheds light on elections, politics and how the government works, or doesn't work.

## JOURNALISM EXPERIENCE

### Investigative Journalist

#### Oklahoma Watch

📅 2016 - 2022 📍 Oklahoma City, OK

- Produced award-winning investigative journalism that focused on politics, democracy and government accountability issues.
- Created data visualizations, graphics and interactive databases. Started and maintained a weekly Capitol Watch (later renamed to Democracy Watch) newsletter with more than 4,000 subscribers.
- Frequently spoke on Oklahoma Watch's podcasts and appeared on radio and TV spots in other outlets.

### State Capitol Reporter

#### Wyoming Tribune Eagle

📅 2011 - 2016 📍 Cheyenne, WY

- Wrote hundreds of articles covering Wyoming's state government, including the legislature, governor's office and state agencies.

### State Government Reporter

#### Community Newspaper Holding Inc.

📅 2010 - 2011 📍 Oklahoma City, OK

- Responsible for producing enterprise stories as the state capitol reporter for CNHI's 14 Oklahoma newspapers, which had a total combined circulation of about 100,000 subscribers.

### Local Government Reporter

#### Staunton News Leader

📅 2008 - 2010 📍 Staunton, VA

- Covered city and county governments in addition to breaking news.

### Pulliam Fellow

#### Indianapolis Star

📅 2008 📍 Indianapolis, IN

- Awarded the competitive Pulliam Fellowship to work at the Indianapolis Star immediately after graduating from college.

### Editor-in-Chief

#### Indiana Daily Student

📅 2008 📍 Bloomington, IN

- Oversaw editorial content for the five-day-a-week newspaper publication. Responsible for hiring, managing staff of dozens.
